SOUTH DAKOTA ORNITHOLOGISTS' UNION - Checklist for the Summer Season

Printed on 11/25/2025

Statewide status codes indicated after each species name - R = regular (7-10 of the last 10 years); C = casual (3-6 of the last 10 years); A = accidental (3 or fewer times of the last 10 years); and H = hypothetical (probable but not proven to have been seen in the state). A species preceded by an asterisk (*) is considered regular for the selected checklist.
